Our Mission Statement:

Sharing the Dream in Guatemala is a non-profit organization that promotes fair trade with cooperatives and small businesses in Guatemala. We are committed to providing fair wages and employment opportunities to low-income artisans, which will result in creating sustainable markets for their products.

Photography/Graphic Design Internship:

Sharing The Dream has a storefront in downtown Vermillion and locations throughout Guatemala. This internship will be a year-long internship with 9 months of the internship taking place in Vermillion and 3 months of the internship taking place in Guatemala if the intern wishes to do so.

The Photography/Graphic Design intern would be responsible for taking photos of products for the website, social media sites and online store. They would also update products online, including copy, photos and potential website design. This intern will work closely with the Marketing intern to help with additional promotions of Sharing the Dream where creative graphic design skills are needed. While the student is in Guatemala, they would be taking photographs to be used for the website and additional marketing items.

This is an unpaid internship with very flexible hours. Free housing in Guatemala will be provided at no cost to the intern. There are two locations for the student to choose from, Jucan'Ya, Panajachel and Santiago, Atitlán. The intern would be responsible for living expenses and their own plane ticket
